#### **DRUG SCREENING (Urine/Five-Panel Test):**

The cost of a drug screening at Marque Urgent Care is \$30.00. If you submit your completed results to Hanna before **August 15<sup>th</sup>, 2018**, we will reimburse you for 50% of the test cost if it is completed at Marque, bringing your total for the drug screening to only \$15.00!\*

#### **TUBERCULOSIS (TB) TESTING (Skin Test):**

A TB Test can also be done at Marque Urgent Care during the same visit as your drug screening. The cost of a TB Test at Marque Urgent Care is \$30.00. If you submit your completed results to Hanna before **August 15<sup>th</sup>, 2018**, we will reimburse you for 50% of the test cost if it is completed at Marque, bringing your total for the TB Test to only \$15.00!\*

*Another option for TB Testing is through your primary doctor. Most health insurance companies (including Med-Cal and Medi-Care) **cover 100% of the costs** of a TB Test if it is completed at your primary doctor's office. If you decide to go to your primary doctor for testing, please speak to your health insurance or doctor's office for details.*

#### **DETAILS:**

*\*In order to receive the 50% reimbursement from Hanna for either test, a receipt and cleared test results for **both** the drug screening and TB Testing must be submitted to Hanna before August 15th, 2018. A maximum of \$15.00 will be reimbursed by Hanna for each test.*

*\*Hanna will not reimburse any other costs or any other testing, including TB PPD X-Ray Tests.*

*\*Reimbursements will be issued in the form of a check. To expedite the process, we recommend **physically dropping off the results and receipt to our office and you'll immediately be given a check.***
